

Dear T&T Parents,

We are so excited to be working with your T&T clubbers again this year! Truth & Training engages third through sixth-graders by answering their questions about God and the Bible, guiding them through this pivotal life stage to grow in their knowledge of Jesus Christ and His grace.

Every Awana Club night is made up of three 30 minute sessions.

- **Handbook/Small Group Time**, where Clubbers complete and recite sections out of their T&T handbooks for their Leaders. The emphasis of the curriculum for the 3rd and 4th graders is that salvation in Christ is the ultimate adventure. The emphasis for the 5th and 6th graders is that walking faithfully with Christ is the ultimate challenge!
- **Game Time** in the gym, where the T&T boys and girls play active games, cheer on their team members, learn sportsmanship, and compete to win team points.
- **Large Group Time**, where one of our Awana Leaders or a special guest come to teach, challenge, and encourage Clubbers to know and serve our Lord Jesus Christ.

For 3rd Graders – the curriculum and format is new this year. The new handbook is called “Mission - Grace In Action” and uses the Together We Move method. During Small Group Time, all Clubbers will work with their Leader on the same handbook section, which includes Bible study, discussion, and verse memorization. Large Group Time lessons will correspond to the topic for the handbook section being studied that week. Another new feature is called Fast Track, where Clubbers can get handbook extra credit and missed sections reviewed and signed off outside of Small Group Time. A primary goal of this new curriculum and format is to promote small group discipleship of our Clubbers. Please email your Clubber’s Director if you have questions regarding this new curriculum.

What can you do?

- Help your children memorize the Scriptures required in each handbook section. Remember, they need to memorize the chapter and verse reference too! They can get two helps per section from their Leader on club night.
- Complete the parent pages as your child moves through his/her handbook.
- Assure that handbook sections are done in order when required.
- Help your Clubbers be creative with the themes on different nights throughout the year. This makes Awana even more fun!
- Pray for your child.

It's going to be a great Awana year! We pray God's richest blessings on you and your T&T clubber!
